IMPORTANT: The values set forth above are provided for tax purposes only. HSF does not appraise or value property received by us as contributions and HSF makes no representations or warranties as to the correctness, validity or adequacy of such values, and in accepting this receipt the donor releases and holds HSF harmless respecting any such valuations, and their correctness, validity or adequacy for tax or other purposes. No valuations are provided for contribution of time or services, which are generally non-deductible. For inventory items, no valuation can exceed the donor's adjusted basis in the property, and for other items a deduction is generally equal to the fair market value of the property at the time of the contribution. HSF recommends that the donor seek independent legal or tax advice respecting the deductibility and amount of the contribution and the valuation through an independent appraisal or otherwise of the fair market value of the property contributed. By signing this form, donor provides permission to HSF to use in its sole discretion any and all logos, trademarks, links to websites, photographs or any other information provided to HSF for any advertising or promotional means, including but not limited to website, press materials and program book.
