### ANNUAL GIVING

Superintendent Ranii has notified our district that, due to the Governor's Proposed Budget and other downward revenue trends, educational cuts are going to be even deeper than he originally anticipated. ***This is where HSF, and your family's pledge, helps fill the gap between inadequate state funding and current school needs.*** Please make your HSF [pledge](#) today! We are trying to reach our goal of 100% family participation for the year and contribute a minimum of \$3 million to the district for next year. We have already raised \$2.6 million from generous families in our schools. This year, more than ever, we need your participation. Make your pledge today and make a direct impact on your child's education. You can make a donation at [www.hsf.org/donate/html](http://www.hsf.org/donate/html) or drop by the HSF office at 300 El Cerrito Ave. Thank you.

### VOLUNTEER SUPERSTARS

HSF would like to [thank the Volunteer Superstars](#) on the New Ventures team for all their efforts this past year. In particular, we'd like to thank **Bronwyn Syiek** and **Karin Huber Levy** for their leadership in shaping and molding all of our New Ventures including Hillsborough Together (HT), HSF Shopping and HSF Garage. Additionally, we'd like to thank all of the women who are tirelessly supporting Hillsborough Together on a daily basis as it grows steadily each day (over 950 members to date!). **Shannon Colton** is HT's primary moderator, and is constantly helping new members adjust their settings and post their questions. **Alicia Isero** has been our Classified Ads guru, **Lorraine Bordegaray** keeps an eye on HSF Shopping and writes witty monthly newsletters to keep you informed about the latest shopping deals that support HSF, **Diane Kounalakis** is working hard on a new HT homepage, and **Amy Papazian** is taking the lead on our Realtor Directory. A special thank you to **Lillian Lazlo** for leading HSF Garage this year. Thank you all for all you do!!
