Save the Date – **Hillsborough Schools + Your Children = Great Colleges** Symposium, Thursday, October, 29th from 9 a.m.–10 a.m., Crocker Band Room

Join us to do the math! Calling all New Parents and anyone else interested in learning more about how our schools are funded; how HSF plans to create sustainable funding; and how our funds are launching our students on the path to success. Susan Camarillo will be our featured speaker, sharing the latest news on where our students are going to high school and on to college. Anthony Ranii will be there for an update on funding, and HSF will share a new vision. Join us on Thursday, October 29th from 9 a.m.–10 a.m. in the Crocker Band Room (come early for coffee and refreshments).

HSF Shopping is live. Click on <http://tinyurl.com/mumd7p> or visit <http://www.hsf.org/hsfshopping.html> to shop at Amazon and earn commissions for HSF. Currently at 6.5% for September; 41 more orders before the end of the month would boost us to 7%, and the more orders, the higher the percentage we earn for our schools. If 100 families each spend \$100, we will earn nearly \$1,000. Think about buying something that you were going to buy anyway - Amazon has incredible range of products including Halloween costumes, groceries, books, electronics, toys and apparel. Amazon has great prices and free shipping on many orders. Many thanks to everyone who gave feedback on the online stores you would like to see, we hope to launch many of these in the coming weeks. Contact bronwyn@quinstreet.com if you have any questions or feedback.

Please visit the **New HSF Website** at www.hsf.org. We look forward to hearing from you throughout the year, email us at feedback@hsf.org.
